

EVANSVILLE OBEDIENCE CLUB IS HAPPY TO HAVE GREAT LAKES MOBILE DOCK (NADD) AND LURE DUDE AT OUR BOW-WOW BONANZA EVENT!

PLEASE VISIT: NORTHAMERICADIVINGDOGS.COM FOR MORE INFORMATION ON HOW TO SIGN-UP FOR JUDGED JUMPS BY BRIAN & ELISE BUTLER. VISIT TALLYHOEVENTS.COM TO REGISTER FOR AKC QUALIFYING RUNS FOR FASTCAT.

Bow-Wow Bonanza Dock Diving Event Notes

Each dog must have its own NADD Registration number in order for their jumps to count towards their title progression. NADD has online registration for \$35.00 a dog.

- Splashes include up to **three minutes** on the dock for **one optional practice jump** and **two judged jumps**. You must inform the judge prior to your jump if you want it to be considered a "practice jump".
- This event is being run by a NADD mobile dock. Info on parking and other event site info can be found on the event description online and below.
- This event is an **Open Splash** event. This is done at Portable Dock trials and other shows that have timing conflicts with other dog events. The time for each splash for the day will be set such as 9am for example for all the splashes. You have **between the posted start time and end time** (either before Air Retrieve/Hydrodash starts or the end of the last day, usually 3pm) to complete your splashes for the day. When you check in you will be handed "Splash Cards" for each splash that you pay for. When you are ready to jump during the day, hand a splash card to the wrangler to get put into the running order. It is the handler's responsibility to be sure to be present the card before their turn to jump. Please be aware that at many events, the running order board fills very quickly and early in the day.
- **Please Note:** You must pay for all pre registered splashes at time of check-in. **Any splashes not paid for will be put back into the event's on-site registration availability list and result in a no-show.** If you are registering multiple dogs there will be a no-show for each dog. You are responsible for all pre-registered splashes.
- Each distance jumping Splash allows **2 judged jumps**, back to back. The longest jump of them will be your Qualifying Score.
- You can earn a Dock Diving title for your dog at this event. You must have five Qualifying Scores within a Division. NADD titles are recognized by the AKC and CKC through their recognition programs. Rosettes and qualifying ribbons will be available to exhibitors.
- Please read the official NADD Rules & Regulations before you attend the Trial.

Try-Its at Bow-Wow Bonanza

Try-its will be allowed and encouraged for those that have never tried dock diving before with their dogs. Competitors that have signed up and paid for judged jumps will have first priority on the dock. Try-its will be allowed as space permits itself available. If no competitors are waiting to jump their turn, this is a perfect time for those who have not ever tried dock diving with their dog, to do so. The Evansville Obedience Club encourages everyone to try something new with their dogs!

Try-its cost \$10 for two Try-it tickets. These tickets may be used on any day of competition. For try-its you are allotted three minutes total on the dock per ticket with your dog. You may use floating toys or words of encouragement for your dog to jump into the pool. They may also enter from the ramp to check the water out. **No food will be permitted on the dock.**

- **How Do I Register My Dog with North America Diving Dogs?**
 - Visit northamericadivingdogs.com and click on "Sign up" in the top right corner of the webpage.
 - You will enter your dogs' and your ownership information. The cost is \$35.00.

- **What is a "Dog's Registered Name?"**
 - Each individual dog registered with both North America Diving Dogs (and other registries like AKC, CKC, UKC etc), have a unique name to identify each specific dog. This is a unique, formal name used to identify each "fluffy", "bella", "charlie" dog individually. This is a made up name by the owner of the dog, so use your imagination or ask your breeder (if applicable) for ideas.

- **I have a mixed breed or purebred dog from a rescue/shelter. Can my dog still be registered with NADD?**
 - YES!!! North America Diving Dogs and many other registries like AKC, allow you to compete and register your mixed breeds.

- **I have my dog registered, now how do I register for the Bow-Wow Bonanza event?**
 - Great Lakes Mobile Dock will be the official mobile dock we will be using for this event. You may click on the events tab, NADD facilities, and scroll down to the bottom of the page for "Mobile Docks". The events Great Lakes Mobile Dock has will all be on there, including ours at the very top.
 - You may also visit this link: <https://northamericadivingdogs.com/Event/info/eventid/4268> to get there.
 - Scroll down and press "Register for Event". You will click on the dog you want to enter and then you will check off how many splash events you would like to do. Distance jumps are the most popular and easiest way to get a title at our event.

- **What is the difference in distance jumps, air retrieve and hydro dash?**
 - Distance jumps are where the judge will determine how far your dog jumps. This is the most popular division.
 - Air Retrieve jumps are done by using an air retrieval rig with a bumper your dog must jump up and grab before falling into the water.
 - Hydro dash is where a bumper will be placed at the 37ft mark of the pool and the dog must jump into the pool, swim as fast as it can to the bumper, grab it and come back.

- **More Question & Answers can be viewed directly on NADD's website at:**

The Importance of Daycare for Dogs

Dogs are by nature social animals. For a dog to be emotionally healthy bonds should be established both with humans and other dogs. They also require different levels of physical activity. The level of activity required will vary depending upon the breed and the individual health. For almost all dogs the exercise requirements will be more than just a walk provides. Dogs are also an intelligent animal and should be challenged mentally.

Having your dog regularly attend daycare will be extremely beneficial for the mental, emotional and physical health of your dog. Daycare can provide the opportunity for a dog to create bonds with other dogs and satisfy part of their social needs. The dog will receive an increased level of exercise as they play together throughout the day. The time spent with other dogs and staff will help challenge them mentally as well. Daycare is beneficial regardless of age but the benefits it will provide a puppy cannot be overstated. Having a puppy learn to interact with other dogs and people in a positive manner will make that puppy a much better dog to be around as it ages.

When a dog is left alone or in a small group throughout the day they can become bored or develop separation anxiety. A bored dog will find ways to entertain itself and those ways are not always positive. It is never fun to come home and find damage that has been done by a bored dog to a house or its furnishings. Separation anxiety left unaddressed can lead to more than just a dog barking, crying and being unhappy. Anxiety can have a negative and long-lasting health impact.

At Daisy's, we provide an environment in which a dog will receive individual and group attention. We spend time getting to know each dog so that we can make sure they are as healthy and happy as possible. With our indoor and outdoor play areas we can get the dogs together in groups to play regardless of the weather conditions. We also spend time making sure that each dog is in a group of like temperament dogs to ensure that each dog enjoys the group play. Coming home with a dog that is more relaxed, tired and happy will also improve the quality of time spent with your dog.

Evansville Obedience Club Dock Diving Fun Finals

How it Works: We will hold a Fun Finals on Sunday immediately following the last splash of the day. The top 5 highest scoring dogs in each division (with a minimum of 3 splashes done on SUNDAY) will jump one more splash to compete for 1st-4th (These jumps do not count towards AKC titles or NADD special event qualifications). These jumps will be distance jumps only.

Note: To participate you must be ready to jump, we will not be waiting on any competitor with conflicts. Results for who will be allowed to compete in fun finals will be posted immediately following the last splash on Sunday. If a competitor has already left for the day but makes the fun finals, the next spot in the running will be allowed to compete (6th, 7th, 8th etc.)

Lastly: We want a crowd! Make some noise and lets see who comes out on TOP as each divisions #1 Diving Dog for EOC's First Dock Diving Event!

EOC'S BOW-WOW BONANZA TRICK DOG COMPETITION
